Mr. Juan C. Blanco Urrutia  
Director  
Office of Management and Budget

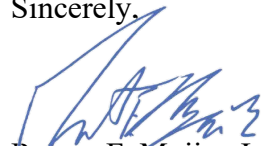

Dear Mr. Blanco Urrutia,

The Oversight Board has become aware through public sources that salary increases were recently approved for an undisclosed number of central government trust employees. As you know, the Human Resources Administration and Transformation Office is currently evaluating certain remuneration plans for central government trust positions in collaboration with the Oversight Board.

Any salary increases for trust employees implemented outside of the budget process and without prior approval of the Oversight Board would be contrary to the Oversight Boards's fiscal and budgetary authority as established under PROMESA. For that matter, and pursuant to PROMESA Section 104(c), the Oversight Board requests that, no later than **April 12, 2024**, OMB submit all personnel transactions for trust employees that have been approved in the past 180 days by the Agency. The Oversight Board will send separately an Excel template for OMB to provide the information that is part of this request.

The Oversight Board looks forward to continuing working with you to have adequate financial systems in place that can provide full visibility and ensure financial and fiscal controls.

Sincerely,

Robert F. Mujica Jr.  
Executive Director

Mr. Blanco Urrutia
